

Information for Worship Leaders

SERVICE ORDERS

- Choose the appropriate Service Order for your needs:
 - a) Holy Communion Service—Setting Six;
 - b) Service of the Word based on Setting Six.
- At each point where a hymn is sung, there are two theme appropriate hymns chosen. Choose one of the two hymns for use at your service. (Consider trying one hymn that is new to your congregation!)
- Try using multiple leaders and voices for this worship order. The opening litany leading into the Confession and Forgiveness should be lead by three voices calling out from the congregation.

BULLETINS

- Customize the bulletin by adding your own header.
- Put a date in the Praise Appeal information box in the title area of the bulletin.
- Insert “Praise Appeal” envelopes into the bulletins.
- There is an INFORMATION INSERT on “Human Beings—Not For Sale” that gives some background information on Human Trafficking. This can be printed on a separate page, then cut in half, for a bulletin insert. The back of this page could provide space for congregational printed announcements.

CHILDREN’S MESSAGE

The Children’s Message requires a little preparation ahead. Please read through the directions and prepare materials as noted.

PRAYERS OF THE PEOPLE

- Consider printing several copies of the “Prayers of the People” and having many voices scattered around the congregation each read one assigned petition.
- Be sure to individualize the prayers by adding your pastor’s name, names of people for whom you are praying, your congregation’s name in appropriate locations.

LESSONS

There is a separate print-out of the scripture lessons with Introductory Commentaries on the first and second lessons. This should be printed and given to the lesson reader, it is not intended for the bulletin.
