

Invocation for Diaconal Sunday

February 23, 2020

Lord, when you call us up to the mountain top

May we respond with excitement and amazement.

When we are surrounded by joy and wonder

May we praise you with thanksgiving.

Lord, when we find ourselves in the valley

Walk beside us, so we may feel your presence.

Peace, compassion, understanding

For ourselves and for others.

Prepare in us

A new heart of service towards others.

So we may find the downtrodden and lonely

And offer your word of hope.

So we may find the poor and weak

And treat them with respect.

So we may be moved to care for others

Bringing life to all.

And bringing about a transformation

Within and around us. Amen.
