

EVANGELICAL LUTHERAN CHURCH IN CANADA

WOMEN OF FAITH FUND

Funding Guidelines

Projects must support the following goals:

- To nurture faith and spiritual growth
- To foster supportive communities
- To develop leadership skills
- To work towards justice and peace

General Guidelines:

1. Preference will be given to applications which maximize the potential of touching the lives of many women.
2. Funding is for one year only per project. After the completion of the first year and submission of the report (by May 1), you may apply for a second year of funding. The same project will not be funded for more than 2 years with the *exception* of quilting projects. Please note: Funding a project for one year does not guarantee that the project will be funded the next year. Alternate sources of funding should be sought.
3. The same group can apply for funding for different projects the same year.
4. If there are other sources of funding available for your project, explore those before applying to WOFF. Please indicate in the application form if other sources of funding have been/are being explored.
5. Projects that support or work with CLWR are eligible for funding.
6. Projects associated with CLAY will be considered on an individual basis.
7. Wages will not be funded.
8. Tuition costs will only be funded in exceptional circumstances, e.g. non-profit, church related organization for a specific course/workshop.
9. Funding for mission projects will be covered in some circumstances. Travel incurred for a mission project will not be covered.
10. Projects for individual personal growth are not eligible for funding.
