

Reflection by
Rhonda Gorham

How do you see yourself living your faith through your work at the Urban?

I feel so fortunate to be the ministry manager at the Lutheran Urban Ministry. My daily work there is a gift to me that constantly enriches my faith.

Why do you feel it's important to live generously in this way?

We can all be Christ's hands and feet in countless ways all through our lives.

What would you say to others who want to live more generously and live their faith?

Making use of our own unique talents, and being aware of the needs of others, helps each one of us to live our faith and to live it generously.

*We are called to live generous lives.
Love includes community and service. Love encompasses all.*
